Residents of S.E. 1st. St. Ask For Street Completion

Commission Says Curb and Gutter Installation on St. Unauthorised

Residents of S. E. 1st Street appeared before the commission Tuesday night and asked what action will be taken on the street.

At the last commission meeting, commissioners ordered the Street Department to stop installation of curbs and gutters on the street stating that the action was not in accordance with an overall city plan and that it was discriminatory.

Spokesman James Ball said: "I came as a resident of the street when they read of commission action in the paper. None of us asked for the curb and gutters, but the Street Commissioner came to us and asked if their installation would be alright. We agreed in good faith."

"This has put us in a bad position. Now the street is absolutely bottled up, and we can't have drainage. If the Street Department takes up the work, it will be a mess up job. There seems to be a gap between the commissioners which is unfortunate. For the benefit of the city, we would like to see the commission work together and in this case it would be wise to concede and compromise."

Mayor Herman Close answered: "It was also a shock to us who were asked what was going on and we didn't know. At the last commission meeting we asked the Street Commissioner for a street program for the year since only through such a set program can the council act intelligently. I am convinced that it would be foolish to take up the work that has been done."

The mayor asked the Street Commissioner again for the program, and Carlton replied, "I haven't had time to draw it yet."

Street Superintendent Peterson outlined a tentative program which included: continuing Ave. B to the West Palm Beach Road; paving Ave. C from 1st Street; installing curb and gutters on the Main Street-Ave. C corridor; and considerable work in the quarters.

Carlton asked the commission for authority to continue S. E. 1st Street and Ave. F as outlined by Pennington including curb and gutters, and the widening of cutback, sand and slag at a cost of \$112,180 in materials and to have Ave. B surveyed from Main to the West Palm Beach Road prior to seeking easements.

Clark Frank C. Anderson reported that the Street Department has expended \$150,000 during three months of operation against a \$60,000 budget for the year.

E. M. Van Landingham suggested that right turns on the red light at the intersection of Main Street and the West Palm (Continued on Page 3)

SCARBOROUGH'S DEPT. STORE HOLIDAY SALE

Scarborough's Department store is putting on a nine-day sale which started Tuesday. The sale will continue through Saturday, March 15, George Scarborough, owner, said.

He announced that merchandise in all departments will be reduced during the sale period only. Advertisement appears elsewhere in this issue.

Shootin' Blanks

By Paulette
When you mention something in the Belle Glade Bugle whether it's in the classified section or not, you get results. Being too late to identify, I mentioned the plight of residents living on one of the streets under construction here, and some fine fellows got an offer of help.

REV. PETRIE WINS MEDAL FOR FREEDOM SERMON

The Rev. John Clarence Petrie, vicar of the Episcopal missions here and in Pahokee has just been awarded a medal and a \$200 cash prize for a sermon on "Freedom Under God."

The donor is the Freedom Foundation Inc., of Valley Forge, Pa., and the award was for a sermon delivered by Father Petrie on the first Sunday in July last year from the pulpit of Holy Trinity Church, West Palm Beach. The thesis was that the doctrine of freedom for the individual is the outcome of the Christian-Jewish tradition enshrined in the Old and New Testaments and preached by the Church.

Under this teaching, man does not denote an animal, nor a creation of the politicians, but the child of God.

Glades students received awards for the second consecutive year for work received in the annual Scholastic Art Show at Bardsine, Miami, this week. Mrs. Margaret Earwood, art instructor, announced.

Belle Glade High School and Junior High School students placing were: Rodney Willis, first for fabric decoration; Betty Bush, third for interior design; and a group of four for observation of environment. Dan Griffin, third for fabric decoration and Yvonne Register, third for a gag cartoon.

Pahokee High School students receiving awards were: Carol Stewart, first for fabric decoration; Myra Baxter, second for design for silk and a gag cartoon; and a group of four for drawing and Saddle Willis, third for a poster.

In the regional show the most outstanding paintings are a handicraft done by school students will be awarded the runners up. These will be given at 2 p. m. Saturday, March 1, at Bardsine's auditorium.

Art students are displaying a selection of their works at the Everglades Fair.

Presbyterians To Observe Every Member Canvass Sun.

Officers of the Everglades Presbyterian Church have designated Sunday, March 9, as Every Member Canvass Sunday. Members will receive pledge cards to be turned in on the day.

For the morning service, service that all members, with the exception of officers and their families, are urged to attend church by listening to the radio at their homes. The pastor will deliver a stewardship message and immediately following the service, officers will visit the homes of resident members and collect pledge cards.

P. B. Co. Day At Everglades Fair Is Set By Legion

Fair Committee Issues Special Invitation To Coastal Cities For Today's Opening

Everglades Fair officials designated today as Palm Beach County Day at the largest annual exposition held in the Glades. In many years, N. B. Willis, fair chairman, said.

Capacity crowds are expected at the matinee and night openings today and tomorrow; the fair grounds located at the American Legion Hall on Ave. D.

Visitors and area people have a chance to view exhibits of established and new Glades industries in the one hundred educational displays. In addition the fair includes between 200 and 300 booths of commercial articles ranging from farm equipment to home appliances.

In an elaborate display of Glades grown produce in refrigerated cases, 35 different fruits and vegetables including some of the newest varieties are shown. An exhibit of the U. S. Sugar Co., Clewiston, is the only one of its kind in the Glades.

The story of the Glades new industry, fiber production, is featured in the Everglades Exhibition Station's exhibit. Production stages of kenaf, ramie and sansevieria are compared with those of cotton.

Colored map and pictures sponsored by the Central and Southern Florida Flood Control District show the \$200,000,000 program designed for water control in the Glades.

F. C. Markham, holder of top State Fair awards, again displays his Glades made birdhouse and orange blossom honey and the beeswax by-product mold used in novelty forms.

Floral arrangements, and Glades Glades are displayed by Kruse Brothers. School exhibits including art, handicraft, educational and science projects are by the students represent Belle Glade and Pahokee. The Glades Glades are displayed by Kruse Brothers.

Sara Lee Creech, creator of the United States COMEY award, has attained national publicity exhibits one of her dolls. Future Farmers of America show members display a collection of animals raised by the members. It includes a Herford bull of Roland Whitlock; two Angus steers of Bobby Hough; Gurnsey heifer of Eddie Robinson; Jersey heifer of Ronald Jones; grade Brahman heifer of Joe Leavitt; grade Brahman steer of (Continued on page 4)

HERMAN CLOSE SPEAKS AT EXCHANGE CLUB MEET

Mayor Herman Close spoke to the Exchange Club at the regular meeting at the South Bay Restaurant last week.

Speaking on "Crime Prevention, Close pointed out that each person must conduct his every day life so as to combat illegal, immoral and unethical acts which are so prevalent today.

A representative of the West Palm Beach Exchange Club and an advance agent of Rogers Brothers Circus announced the circus performance scheduled March 26 under the sponsorship of the Exchange Club of West Palm Beach.

Mayor Close voted to sponsor the sale of tickets for the circus performance in this area.

Early installation of Lights At Six-Mile Bend Promised At Co. Commission

Early installation of flasher signals at Six-Mile Bend was promised Monday by Glades Commissioner Paul Harkin who advised the county commission that the lights were on order.

At the request of Commissioner Harkin, the board this week, voted to release the county's claim on a piece of property at Six-Mile Bend, being used as church property. The land had reverted to county ownership for non-payment of back taxes.

Other actions by the commission this week included: Votting to call for bids for construction of a canning center in West Palm Beach to replace an establishment that was closed with the reactivation of the Palm Beach International Airport.

Referred to Commissioner Harkin and County Engineer J. M. Boyd, a request from the City of Belle Glade that a county bridge across the Hillsboro river, which is being replaced by the State Road Department, be turned over to Belle Glade.

Voted to send all members of the commission, plus County Attorney Harry Johnston, County Engineer J. M. Boyd and Asst. County Auditor R. B. McKee, to the annual convention of the State Association of County Commissioners to be held in St. Augustine, March 6-8. Harkin is president of the commission.

WE THANK STATE ROAD DEPARTMENT TOO!

Our County Commissioner has given credit to the State Road Department for items in the 1952 department budget in a recent issue of his paper, Everglades News.

We hasten to join the County Commissioner in that acknowledgment and to say to them, "Thank You."

We are hoping we might be furnished with a list of road projects in the Glades area, by our County Commission so that we may print that.

—NEW PROJECTS IN 1952 SRD BUDGET—

Six Mile Bridge (Bridge and new approaches)	\$206,200.00
Lake Harbor Bridge	100,000.00
South Bay Bridge	75,400.00
Canal Point Bridge (Bridge and new approaches)	155,400.00
Farmers Market Road Signals—F.E.C.R.R. Pahokee (At Crossing Near Van's Packing House)	14,700.00
Resurfacing Canal Point to 20-Mile Bend (Retired job not disturbing present base)	14,000.00
Resurfacing Pahokee to Belle Glade (Retired job not disturbing present base)	213,700.00
Cardwell Road (Cardwell to Belle Glade Extension—SRD17)	150,000.00
220,600.00	

NOW UNDER CONSTRUCTION

State Road 717 (From Bacon Point to Chosen & Road 60)	\$ 684,000.00
Total For Glades	\$1,834,000.00

Cold Spell Causes Little Crop Damage

Following on the heels of rain and wind Monday and Tuesday, a cold spell brought down the temperatures to the area Wednesday night and Thursday morning.

A preliminary survey Thursday morning showed temperatures dropped to between 27 and 46 degrees near Lake Okechobee. The U. S. Weather Bureau here, reported. Temperatures of 32 to 37 degrees were reported in the back lands with scattered frosts. Tender truck crops suffered only minor damage in spots in the area.

Extreme low temperatures of 33 to 34 degrees were only in widely scattered pockets.

SERIES OF ACCIDENTS OCCUR ON WEEKEND

Highway Patrolman Walton Sheffield reported a series of highway accidents last weekend.

Mrs. Madelyn Daniels, 36, of a preliminary survey Thursday morning showed temperatures dropped to between 27 and 46 degrees near Lake Okechobee. The U. S. Weather Bureau here, reported. Temperatures of 32 to 37 degrees were reported in the back lands with scattered frosts. Tender truck crops suffered only minor damage in spots in the area.

FARMERS URGED TO SIGN FOR CONSERVATION PROGRAM PRIOR MARCH 15

Farmers, who have not signed up under the 1952 Agricultural Conservation Program should do so before March 15.

W. W. Strickland, county Production and Marketing Association officer, said the program and their land may be owned or rented.

Prior approval of the county must be obtained on clearing land, use of sulphur and digging ditches for surface water control. Planting of crops in the fall of 1951 must be reported not later than April 30.

1952 Performance of other crops must be reported not later than January 15, 1953. All farmers in the Glades area who are interested in 1952 participation and have not signed up are urged to go to the office in the Sanders Building before March 15, 1953.

DAN MCCARTY TO SPEAK AT CITY HALL TOMORROW

Dan McCarty, gubernatorial candidate, will begin his speaking tour of Lake Okechobee communities tomorrow and is scheduled to speak here at 11:15 in front of the city hall, Emmett Collier, local campaign chairman, announced.

McCarty will also have dinner here at noon, Roberts said. His Glades speaking itinerary is: Canal Point, 9:30 a. m.; Pahokee, 10 a. m.; South Bay 1:15 p. m.; Clewiston 2 p. m.; Belle Glade, 3:45 p. m.; Moore Haven 5:15 p. m. and Lake Okechobee, 7 p. m.

253 Register Here A Report Shows

Clerks report that a total of 253 persons here registered Wednesday night for state and county elections.

Mrs. George Young said that she registered 133 at the chamber of commerce, some of whom are from other precincts. Daisy Murrell reported 120 in the colored precinct 38A.

DeWitt Upthegrove, supervisor of registration, said that the registration books will be closed in the Glades by 5 p. m. Friday.

Mrs. Young has volunteered to report the books open after the deadline, and Upthegrove has supplied her with extra copies of the books stragglers up until March 15.

Upthegrove said 11 persons registered in South Bay Wednesday at the Town Hall and 12 in Pahokee in an incomplete, early report.

DR. GUZMAN TO SPEAK ON WEED CONTROL WORK

Dr. Victor L. Guzman, assistant horticulturist, will discuss the program outlined for weed control work on the Everglades Experiment Station's weekly broadcast.

The program is scheduled at 11:15 a. m. Saturday over station WWSN.

LIONS CLUB TOURS FAIR EXHIBITS WED.

N. B. Willis and Jack Rashley, members of the Everglades Lions Club, are guiding the Lions Club on a tour of fair exhibits as part of the regular meeting program Wednesday night.

On a local level an effort was launched by the registration books to the Glades so working people could have the chance to register. Now the books are here.

As it was before, people had to travel into West Palm Beach and meet court house hours, which are regular business hours, in order to register.

Although the set time for registration here was this week, the books will be open while longer at the chamber of commerce, according to Registration Clerk Mrs. George Young.

Check and see if you are qualified to register, and then REGISTER if you are.

Will your state, county and national officials reflect your voice, your principles and your ideals? This decision is yours to make.

Inclement Weather Adds To Dreary Produce Picture

Leafy Crops And Cabbage Have Low Market Price This Week

Adding to the already dreary produce picture caused by poor market conditions, the rainy and windy weather this week slowed field operations.

Prices of escarole, chicory and cabbage just covered packing costs and the produce was being picked only on order.

Other produce was bringing: lettuce, \$3; Pascal celery, \$1.75; Golden celery, \$2.50 to \$3 and radishes, \$1.25.

The first spring crop will begin Saturday although there will be no volume until March 15 when the volume should also pick up in volume.

Pioneer Growers was shipping some cabbage, escarole, chicory and lettuce.

A. Duda and Sons' official reported processing of escarole, chicory, romaine, Chinese cabbage, celery and green cabbage. He said the firm will ship some corn Saturday.

American Fruit Growers packed Pascal celery, iceberg lettuce, beans and escarole.

Harold Rabin Co. reported a list of produce including escarole, chicory, radishes, eggplants, cabbage, red cabbage, leaf lettuce, radishes, green cabbage, romaine and Boston lettuce.

Wedgworth's moving Golden and Pascal celery, some beans, Chinese cabbage in slow movement, radishes, eggplants, squash and corn.

Jack Gruber and Sons packed fair volume of radishes and escarole on consignment.

Cabinger and Sons which did not operate the first of the week reported some wind burn on radishes Wednesday.

Rail loads from Wednesday night were:

Commodities	W. End	S. End
Beans	11 34	1 223
Cabbage	10 73	38 450

RAINBOW GIRLS FIND BARBER SHOP GOOD PLACE FOR A RAFFLE

The Rainbow Girls discovered recently that Dorsey's Barber Shop is a good place for a raffle.

Patti Ingram and Joan Rabin sold a cake at a Dutch auction in the barber shop and counted the proceeds of \$52.

FLOWER SHOW CHARMED TO MEET ON MONDAY

Flower Show Committee chairmen are reminded of a meeting to be held Monday morning at 10 o'clock at the club house of the Glades Clubhouse, starting at 10 o'clock. A pot luck luncheon will follow at noon.

PAR-TEE LINE

Country Club of the Everglades
Intra club golf matches scheduled for this week. Clubhouse for Sunday have been postponed. Pro. Joe Ziemann announced. Date of the matches will be announced later, he said.

No Community Youth Center program will be held tonight at the club because of the Everglades Fair.

Parade contestants bridges at the club, one at the entrance and the other between fourth and fifth holes, have been completed, Joe Ziemann said.

AUTO TAXES MORE THAN FEDERAL INCOME TAXES

Big as it is, the federal income tax costs the typical Florida motor vehicle owner less money than the taxes on his

vehicle and gasoline, George A. Kimball, Division Manager of the North Florida Division, American Automobile Association, revealed today.

He cited a Federal Reserve

Board study which found that most automobile owning families have incomes below \$4,000 a year.

The typical family in this group is now paying \$71.42 a year in federal income tax, he said. By comparison, he continued, annual state and federal automotive and gasoline taxes now average \$116 per vehicle in Florida.

Mr. Kimball pointed out that the federal taxes on motor vehicle owners were increased at the same time that the income tax was boosted by Congress last year.

As a result, he explained, Florida motorists are now paying higher federal excise taxes on new motor vehicles, parts and accessories, and a two cents a gallon federal tax on gasoline. This federal tax combined with the state rate makes a total gasoline tax of 9 cents a gallon here.

"Even with all other kinds of taxes at a record high, the motorists has not lost his unhappy distinction," Kimball said. "He is still considered by many to be the most heavily taxed citizen in Florida."

VETERANS INFORMATION AND SERVICE

By Melvin T. Dixon
State Service Officer

Did you know that the Armed Forces Voluntary Recruitment Act of 1945 provided that persons enlisting or reenlisting in the armed forces between October 6, 1945 and October 5, 1946 may count the entire period of such enlistment or reenlistment as war service for purposes of GI Bill benefits, regardless of the date the war was declared officially ended?

Such enlistees, therefore, may substitute the date that their period of enlistment ended in computing their benefits where that date is later than July 25, 1947.

Dating from the end of the enlistment period, such enlistees will have: (1) ten years in which to use their loan guaranty rights; (2) the full period in which to accrue entitlement for education and training, four years in which to commence training, and nine years to complete it; (3) the full period in which to accrue entitlement for readjustment allowances for unemployment or self-employment, and a maximum of five years from that date (or two years from discharge, whichever is earlier) in which to claim them.

If you have a question and/or need assistance contact your local Veterans Service Officer or write the State Service Office, P. O. Box 1437, St. Petersburg.

GREETINGS!!

AMERICAN LEGION POST No. 161
South Bay, Fla.

The American Legion in the Glades has an enviable reputation throughout south Florida for accomplishment in its respective communities.

You boys ably upheld this reputation in your community Barbecue and Get-Together last Friday night.

Congratulations!!

HD-5

Pace-Setter

IN ITS
POWER CLASS

Look what these HD-5 features can mean every day this tractor works on your ranch.

1. **1000-HOUR LUBRICATION**—Truck wheels, support rollers and idlers have sealed lubrication. No daily greasing.
2. **START INSTANTLY** with electric starter on Diesel fuel.
3. **NO BUCKING**—Large idler and sprocket eliminate rocking, keep drawbar equipment working evenly without strain.

4. **LESS SOIL PACKING** on seed beds and soft fields. More than 1570 sq. in. ground contact. More traction for efficient use of engine power.
5. **EASIER TO REPAIR**—All major assemblies easily removed as units. Saves time and service costs when repairs are needed.

We will be glad to give you full details and specifications of the HD-5. Phone or stop in.

CO. EXPOSITION TO HAVE GRAND OPENING TONIGHT

Opening at 7 p. m. tonight with elaborate ceremonies, the Seventh annual Palm Beach County Exposition will be ready Saturday to entertain between 40,000 and 50,000 visitors during the next nine days.

Daily shows from 2 to 10 p. m., with unusual free attractions, including musical performances and more than 150 booths with exhibits of industrial, commercial, agricultural and service products of Palm Beach county will go to make up the largest exposition in the history of the show, according to R. D. Hill and Frank J. Frazies, Jr., co-chairmen.

Under direction of Lottie L. Pierce, widely known home economist and lecturer, there will be a cooking school every afternoon, beginning Saturday, which will include demonstrations of the latest electrical equipment and gadgets for the kitchen.

Visitors in the area as well as those from other parts of the county will have a chance to see the latest products of the county's factories, distributors, commercial and agricultural leaders. There will be all varieties of vegetables from the Everglades with showings of new varieties of corn, celery, cabbage, cauliflower, eggplant, beans, peas, radishes, lettuce and tomatoes. There will be sugar cane, complete with story of its production in color slide projection and an exhibit of stalks, molasses, raw and refined sugar. The Everglades Experiment Station will show the story of Rame and Kenaf with displays of raw fibre, rope, woven cloth and pictures of planting, growth, harvest and processing of the newest important county product.

Pictorial slides of the work completed and some of the results already shown by the vast South and Central Florida Flood Control program will be shown throughout the exposition in the agricultural building. The Florida Department of Forestry will have an elaborate exhibit and tropical fruits, honey and jellies will be shown.

Daughters of America will again operate all of the booth booths on the grounds and in the exhibition buildings, and Lamar Allen, director, said there would be no carnival concessions in connection with the exposition.

One of the outstanding attractions for children will be the Warther collection of 17 models representing the evolution of the steam engine from 1680, all shown in actual motion. The collection, which required over 20 years to complete and is valued at \$500,000, will be shown by Ernest Warther, creator of the unusual exhibit.

Reddy Kilowatt, "who" has been one of the feature attractions at a number of fairs in the state, will be at the exposition "in person," according to officials of Florida Power and Light Co.

A number of special days and extra attractions will be scheduled throughout the show, according to members of the committee from the Palm Beach County Resources Development Board and West Palm Beach chamber of commerce, sponsors.

NEGRO NEWS

St. Johns

First Baptist Church

Mrs. Estelle M. Cooney, Reporter Sunday School was opened at 9:30 a. m. with the Supt. in charge. Subject of the lesson was "Peter, James and John." The lesson was chanted by Supt. Shelly Pouncy.

Morning worship was conducted by Rev. Austin and S. P. Brown. At 5:30 p. m. the B.T.U. met with the president in charge. Evening worship was conducted by Dea. L. Miller. Sermon was delivered by Minister Carswell. The anniversary of Rev. J. B. Adams began last Monday night, Feb. 18 and terminated Sunday night. The following churches and their pastors participated in the anniversary services:

New Bethel Church, Rev. W. Porter; Mt. Calvary Church, Rev. S. M. Nelson; New Hope Church, Rev. W. F. Anderson; Fraternal Organizations, Mr. W. C. Taylor; Friendship Church, Rev. O. D. Williams; Shiloh Baptist, Rev. A. L. Jordan; First Baptist, Rev. Austin and Brown; and Mt. Zion A. M. E., Rev. M. Faison.

New Bethel Baptist Church

Sunday School was opened at the usual hour with Supt. Sandy Kendall in charge. The lesson

was reviewed by the pastor.

Morning worship began with a spiritual devotion. The sermon was delivered by the pastor.

The deacon board had charge of the afternoon service. Rev. E. Coffie pastor of First Baptist South delivered a short sermon.

Evening worship began with a spiritual devotion. The pastor presented Rev. P. Beasley of West Palm Beach, and he delivered the sermon on "The Wonderful Christ."

East Lake School Pahokee

Campus Highlights

We regret that there were not more of our students and parents in attendance at the Children's Day Service at Shiloh last Sunday morning. We enjoyed the spiritual communion with the members of the church and they continued to enjoy our program. Our chorus sang well. The principal spoke briefly on the duties of church and school in the community. Misses Clark, Reid, and White represented the faculty. Come out on Thursday and hear the fifth grade assembly program, Famous Birthdays. It promises to be one of the most unusual assemblies of the year. Friday is the day for our Annual observance of World Day of Prayer. Rev. G. E. Penon will be guest of honor. The service starts at 1:30 p. m. Invite your friends to come with you. We wish to thank Miss Gavin for the artistic bulletin board displays which she and her second graders have prepared during the month of February. There have been three of them. Each one was well planned, entertaining, and informative. Very colorful too. Thank for the program. Day 4 with Fair go to the Everglades Fair Association of Belle Glade. Most of our students took advantage of student's day last Wednesday and enjoyed seeing the various exhibits and attractions on the midway.

Annual Revue In Rehearsal: Parts have been assigned and rehearsals are under way for the big show of the year, FROM DIXIE TO BROADWAY. Keep informed of our progress through this column, with the best of them all. Plan to attend. This activity

is scheduled for sometime in April.

Buick even keeps the Sun in its Place

Of course, this new glass—which reduces glare and incoming sun-heat—is a Buick feature in '52

What Buick standard on ROADMASTER, optional on other Buicks.

new things we've had to talk about in 1952 Buicks, we're just getting around to this one.

It's called "Easy-Eye Glass"—a new kind of glass with a cool, soft, blue-green tint, which filters the sun's rays entering your car—cuts down their glare and heat.

You'll appreciate the "glare control" at any time—and when you hit your first stretch of hot-weather driving you'll find that this glass does a great job of keeping the heat out of your lap.

We know—because thousands of happy Buick owners already have this new comfort feature. The rest of the automobile industry is just beginning to discover what Buick discovered a year ago. It's a great idea, which costs you very little extra if you order it when you're buying a new car.

But this still leaves the other folks with a lot of catching up to do.

You'll look a long way before you'll find any-

thing that approaches a Buick's million dollar ride.

You'll look a long way before you'll find anything so completely satisfying as Dynaflow Drive.

You'll find it hard to match the style and beauty and harmonious good taste of a 1952 Buick's interior trim and fabrics.

And when it comes to what you get for what you pay—we'll gladly match price tags with the field.

Have you had a good look at the '52 Buicks? That's something you ought to do soon.

Equipment, accessories, trim and models are subject to change without notice. Optional at extra cost—available on most models. (Not necessarily available in all markets.) *Standard on ROADMASTER, optional on other Buicks.

Sure is true for '52

When better automobiles are built
